

PIC/CPO Fiber Array Micro Connectivity
PIC/CPO 光纤阵列连接制造商

www.vlinkoptics.com

光库科技（股票代码：300620）全资子公司
An AFR (stock code: 300620) Company.

用于 400G/800G/1.6T 及相干光模块的光纤连接线出货量已超过 1000 万只
Delivered Over 10 million micro fiber connectivity products used on high-speed transceiver to Tier 1 global customers.

已获得多项专利，针对应用于相干通信及硅光模块高耦合效率封装的光纤阵列
Certified more than 20 patents related to micro connection application on high-speed transceiver.

拥有 Zblock, Receptacle, Collimator 等先进自动化生产线，涵盖自动组装、压配、测试功能，为客户提供低成本高品质的产品和服务
Vlink has advanced automated production lines such as Zblock, Receptacle, Collimator, etc.

光纤突出 FAU、透镜阵列 FAU、耐高温 FAU、自定位非调光式 FAU 系列、适合 PIC /CPO FAU 系列等定制化产品
Fiber Protrusion FAU, Lens Array FAU, High Temperature FAU, Passive Alignment FAU, PIC/CPO Application FAU Series.

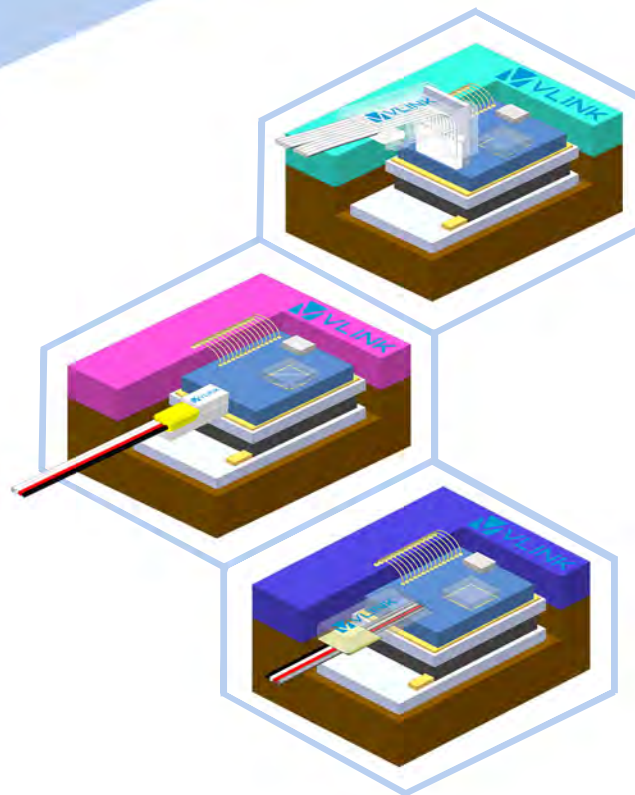

具备行业内齐全研发测试手段设备以及可靠性验证能力，包括高精密度光纤阵列 Core Pitch 测试仪、OGPV 槽阵列测试仪、OCCR 光纤受损探测器、光学薄膜镀膜机、激光干涉仪、扫描电镜、红外热像仪、激光切割刀、快速 TC 箱
Equipped with complete R&D testing equipment and reliability verification capabilities.
